

# Job Vacancy Announcement

**for Technical Expertise Consultancy on Digital Monitoring/Survey Design and Use of KoboToolBox**

With **Mlup Baitong**

## **Technical Expertise Consultancy on Digital Monitoring/Survey Development**

Mlup Baitong is a leading local NGO in the environment sector in Cambodia. The complementary nature of environmental education, advocacy, and community-based natural resource management with the creation of alternative livelihood options results in positive and sustainable impacts. We are nationally and internationally respected for our successful approach in environmental education and conservation.

Mlup Baitong was established in February 1998 as a project of an international NGO to address the problem of deforestation in Cambodia with a focus on educating the general public on conservation of natural resources. Since then, the organization has grown mature over the years in terms of project implementation, staff capacity-building and organizational development. Mlup Baitong was officially registered with the Ministry of Interior in 2003.

Mlup Baitong in cooperation with other two We Effect partners (FNN and CTO) are currently looking for a Technical Expertise Consultancy on Digital Monitoring/Survey Design and Use of KoboToolBox.

The consultant will provide a three-day training workshop (13-15 Nov 2019) to about 15 project staff members at Mlup Baitong Office, Phnom Penh. See TOR attached.

If this sounds like you then do not hesitate to get in touch with us. Please send us your CV and cover letter outlining your experience and competences, proposed budget only for the training fee (plus 15% withholding tax), traveling cost and meals-DSA (if any) why you want to work with us by Oct 18, 2019. Successful candidates will be invited to a personal interview where we can get to know you better.

**Contact person:**

Mr. May Ly, Program Manager

# 194, St. 371, Sangkat Boeung Tum Poun, Khan Mean Chey,  
P.O. Box 2510, Phnom Penh, Cambodia
